## High-Quality Hard Tags and Labels

Gateway offers a full range of high-quality hard tags and labels, specially designed for our systems. Find our complete range in the Gateway Consumables product brochure!

## Added Value with Gatenet Software

Gatenet software is an easy way to get even more out of your EAS system. Among other things, it keeps track of the customer flow in your stores and allows your EAS system to be remotely serviced and adjusted. Find out more about Gatenet in the Gatenet concept brochure!

Designergate Slim with Prisma feature

Fits in perfectly with your store interior
